Event End Date:	04/04/2023
Description:	Samata Degree College, in collaboration with Indian Youth for Society (IYFS), launched the Clear Coast Campaign, a proactive initiative aimed at promoting coastal cleanliness and environmental stewardship. The campaign sought to raise awareness about the impact of marine pollution, engage local communities, and inspire collective action to preserve coastal ecosystems. Participants engaged in beach clean-up activities in designated coastal areas. Equipped with gloves, bags, and tools, volunteers removed plastic waste, debris, and other pollutants, contributing to the restoration of pristine coastal environments. The Campaign exemplifies the power of collective action in environmental preservation. Totally 36 students participated.

Description:	In commemoration of the Azadi Ka Amrit Mahotsav, celebrating 75 years of India's independence, the National Service Scheme (NSS) unit of Samata Degree College embarked on a monumental initiative aimed at fostering cleanliness, environmental sustainability, and civic responsibility. The primary objective of the program was to actively engage the college community in promoting cleanliness and hygiene. Through awareness campaigns, the NSS unit sought to instill a sense of responsibility and pride in maintaining a clean and green environment. By promoting cleanliness, environmental sustainability, and civic responsibility, the program not only contributes to the broader goals of the nation but also instills a lasting sense of pride and responsibility among the college community. Totally 50 students participated.

Description:	Tanuri Park is a cherished coastal treasure, but unfortunately, it often falls victim to plastic pollution and other forms of waste. We have collected all sorts of waste, from plastic bottles and bags to cigarette butts and discarded food wrappers. We have separated recyclables from non-recyclables and ensure proper disposal of each item. Learned about the harmful effects of pollution on marine life and how we can all contribute to a cleaner and healthier ocean. Totally 48 students participated.
