Event End Date:	13/03/2019
Description:	Samata Degree College's National Service Scheme (NSS) unit recently organized a special camp for surrounding cleanliness in the village of Santhapalem. The selection aimed to address environmental concerns, improve overall hygiene, and foster a sense of community responsibility among the residents. NSS volunteers actively engaged in the collection and segregation of waste. This involved sorting recyclables from non-recyclables and emphasizing the importance of proper waste disposal methods to the community. Through hands-on activities, awareness campaigns, and continuous engagement, the initiative not only cleaned the surroundings but also fostered a sense of responsibility and environmental stewardship among the residents of Santhapalem. Totally 45 students participated.

Event Start Date:	29/12/2018
Event End Date:	29/12/2018
Description:	In alignment with its commitment to environmental sustainability and community well-being, Samata Degree College organized an Environmental Sanitation and Garbage Disposal Drive. The initiative sought to raise awareness about proper waste management practices, promote a clean environment, and engage the college community in actively contributing to a healthier ecosystem. College students and staff actively participated in organized clean-up drives in and around the college premises. Emphasis was placed on collecting and segregating waste materials, including plastics, paper, and electronic waste. Temporary waste segregation stations were set up on campus, equipped with bins for different types of waste. The Environmental Sanitation and Garbage Disposal Drive, conducted by Samata Degree College, underscored the institution's commitment to environmental stewardship. Totally 45 students participated.

Title of the Event:	Medicinal Gardening Program
Event Start Date:	24/11/2018
Event End Date:	24/11/2018
Description:	In a bid to promote the therapeutic and health-enhancing benefits of nature, the National Service Scheme (NSS) unit at Samata Degree College undertook a Medicinal Gardening Program. The initiative sought to actively involve the college community in the process of planting, cultivating, and maintaining the medicinal garden. This involvement aimed to foster a sense of responsibility for the environment and provide hands-on learning experiences. By cultivating a garden of medicinal plants, the program not only enhanced awareness about the healing properties of nature but also provided a tangible and sustainable resource for the college community's health and education. Totally 35 students participated.

Description:	Samata Degree College, in collaboration with Vision Eye Care, organized a comprehensive Eye Check-up Camp as part of its commitment to community health and well-being. The camp aimed to provide accessible and quality eye care services to the college community addressing the importance of regular eye check-ups and early detection of vision-related issues. Certified optometrists conducted vision screenings to identify common refractive errors such as myopia, hyperopia, and astigmatism. By providing accessible eye care services and promoting awareness, the camp contributed to the broader goal of ensuring optimal eye health within the community. Totally 61 students participated.
