Objectives of the Program:

To build a sense of community among students. Cultural festivals bring together students from different backgrounds and interests. This can help to break down barriers and create a more inclusive environment. Moreover, these fests provide an excellent opportunity for students to develop their leadership skills and learn about team management. By taking on responsibilities and organizing events, they can hone their organizational abilities and collaborate with students from different branches. It's a chance to build connections and create unforgettable memories.

• Objectives of the Program:

From a religious perspective, Makar Sankranti holds a sacred resonance for Hindus, particularly dedicated to the worship of Surya, the sun god. Beyond being a celestial body, the sun symbolises the cosmic source of energy, light, and life. Ritualistic dips in holy rivers, undertaken by many on this auspicious day, carry symbolic weight, signifying a spiritual cleansing to purify the soul from accumulated sins. In regions steeped in mythology, the festival marks the triumph of virtue over evil, with Lord Vishnu's legendary defeat of a demon. Agriculturally, Makar Sankranti marks the threshold of the harvest season, prompting farmers to express gratitude for a fruitful yield and to seek blessings for a prosperous future. The festival becomes a time for communities to come together, sharing the joy of abundance and fostering a sense of collective gratitude.

Start the good

- **Learning outcomes:**

For those who might be curious to learn Makar Sankranti meaning and its significance, 'Makar' means 'Capricorn' and the movement of the sun into 'Makara Rashi' or the 'Zodiac of Capricorn' is called Makar Sankranti. The traditional Indian sari is the typical choice of ensemble for Makar Sankranti, of which yellow tones and luxurious Silk drapes are the more popular choices.

Celebrated in various regions of India, Makar Sankranti marks the new beginning when the Sun transitions into longer days. It is also called the harvest festival.

On the occasion of festival, people indulge in a Holy Bath by taking a dip in the auspicious rivers including Ganga, Yamuna et al. It is also recommended to consume food, post you bath.
