By celebrating Independence Day with creative and exciting activities, we contribute to shaping well-informed and responsible citizens who cherish their nation's freedom.

Learning outcomes:

To inculcate the competitive spirit among the students, we can instill a sense of pride in their country. Cultural activities provide the chance to develop skills beyond reading and writing. They help students acquire new skills that can be applied to their lives, such as leadership, teamwork, collaboration, and problem-solving.

Objectives of the Program:

- To welcome new students to the college. It's a chance for them to feel acknowledged, valued and excited about their new academic journey.
- These events serve as an orientation platform. Informative sessions can provide freshmen with essential information about the college, its facilities, academic programs, student support services, clubs, and extracurricular activities.
- To help newcomers to interact with seniors, faculty and classmates. This fosters a sense of belonging and reduces feelings of isolation that new students might experience in a new environment.

• Objectives of the Program:

From a religious perspective, Makar Sankranti holds a sacred resonance for Hindus, particularly dedicated to the worship of Surya, the sun god. Beyond being a celestial body, the sun symbolises the cosmic source of energy, light, and life. Ritualistic dips in holy rivers, undertaken by many on this auspicious day, carry symbolic weight, signifying a spiritual cleansing to purify the soul from accumulated sins. In regions steeped in mythology, the festival marks the triumph of virtue over evil, with Lord Vishnu's legendary defeat of a demon. Agriculturally, Makar Sankranti marks the threshold of the harvest season, prompting farmers to express gratitude for a fruitful yield and to seek blessings for a prosperous future. The festival becomes a time for communities to come together, sharing the joy of abundance and fostering a sense of collective gratitude.

• Learning outcomes:

For those who might be curious to learn Makar Sankranti meaning and its significance, 'Makar' means 'Capricorn' and the movement of the sun into 'Makara Rashi' or the 'Zodiac of Capricorn' is called Makar Sankranti. The traditional Indian sari is the typical choice of ensemble for Makar Sankranti, of which yellow tones and luxurious Silk drapes are the more popular choices.

Celebrated in various regions of India, Makar Sankranti marks the new beginning when the Sun transitions into longer days. It is also called the harvest festival.

On the occasion of festival, people indulge in a Holy Bath by taking a dip in the auspicious rivers including Ganga, Yamuna et al. It is also recommended to consume food, post you baths.
