PROGRAM REPORT

Name of the Program: A One Week Faculty Development Programme (FDP) on "Integrative Approach Towards current practices in Food Product Development"

Organized by: Samata college

Date: 19/12/2023 to 23/12/2023

Resource Person:

- o Ms. Shaik Nazia, M.Sc, B.Ed
 - o Lecturer in Nutrition, Alwardas Public School
- o Phone No. 8341668770
- o Email. Idahmishaik363@gmail.com

Objective:

The objective of this faculty development programme is to summarize an extensive bibliographical search by presenting the retrospective of EU organic food from the point of regulation, policy framework, trends and challenges. We also make a critical review of existing scientific evidence regarding European trends in organic food consumption and production and we identify research gaps for future comprehensive assessments of the policy and legal framework. This review has indicated the importance of the two pillars, namely regulation and policy, highlighting not only the need for solid restrictions regarding organic food production, however also the need to support food safety and consumer confidence in the growing organic food market.

About the FDP:

A Five - Day Faculty Development Programme was organized on "Integrative Approach Towards current practices in Food Product Development" from 19th December to 23rd December in the Seminar Hall, Samata college. the session with the importance of Food Safety as the most important realm of Food Science and Technology and enlightened the participants with an interesting history behind 'Food Safety'. The key message by the speaker was that a lack of safe food creates a vicious cycle of disease and malnutrition which overburdens public health services, disrupts social and economic progress, and detracts from the quality of life.

Outcome:

- Quality evaluation techniques used for new product development.
- Information on the establishment of a scientific panel on important topics like genetically modified organisms, functional foods, nutraceuticals etc.

PROGRAM REPORT

Name of the Program: A Five-day FDP on "Artificial Intelligence and Machine learning"

Organized by: Samata college

Date: 26/09/2022 to 30/09/2022

Resource Person:

- o Mr. K. Leeladhar, MCA, M. Tech
 - o Assistant Professor
- o ACTS DEGREE COLLEGE
- o Contact No. 9491 737134
- o Email Id: leeladharkushwaha@gmail.com

Objective:

The FDP aimed to enhance the faculty's skills and understanding in the field of AI and Machine Learning (ML) equipping them to impart knowledge to their students effectively. The objectives of this FDP will be providing an interdisciplinary forum for researchers, staff and faculty as well as delegates from industry engaged in the full spectrum of research, development, application, and to discuss the current state of the art and developments of advanced techniques to solve the recent challenges and issues.

About the FDP:

The FDP on "Artificial Intelligence and Machine Learning" is aimed at imparting knowledge and training on the fundamentals of machine learning and its applications. The main objective is to make the participants familiar with machine learning and information retrieval techniques. Expert lectures will be delivered by eminent resource persons from the industry.

This program may be beneficial to Faculty members & Research Scholars who intend to practice/begin research in the field of processing and analysis of data using advanced techniques such as AI/ML/DL etc.

PROGRAM REPORT

Name of the Program: A One-Week Faculty Development Programme (FDP) on "A program for Management Teachers"

Organized by: Samata college

Date: 20/06/2022 to 25/06/2022.

Resource Person:

- o Dr. Satish Ailawadi
 - o MBA, M.Phil., Ph.D
 - o 27 years experience in Corporate.
 - o 22 years experience in Academia.
 - o Former Director of IMT, Hyderabad.
 - o Professor Emeritus IMT, Ghaziabad.
 - o Phone No. 8328286251
 - o Email Id : satish.ailawadi@gmail.com

Objective:

The Faculty Development Programme (FDP) aims at the professional development of faculty members of institutions of management education. It is a residential programme that provides rigorous training in general management principles, pedagogical techniques (including case method), cutting-edge research methods and advanced topics in specialized areas.

There is an emphasis on the case method of teaching and learning. Other educational methods such as lectures, group exercises, management games, and presentations are also used. The latest statistical tools and audio-visual aids complement these methods. Participants are encouraged to develop insights into curriculum planning and academic administration.

**About the FDP:**

The FDP requires a high level of effort from the participants in terms of individual preparation as well as working in groups. Participants will have access to library resources and facilities with network connectivity during the programme. Participants take away more than just classroom related experiences as they explore the campus and interact with people from diverse backgrounds. Participants usually get a chance to visit industrial locations, attend research seminars, special guest lectures and participate in other extra-curricular activities. Participants are highly encouraged to take initiative towards developing their own cases or research proposals.

Outcome:

management educators get an opportunity to strengthen their understanding of core general management as well as gain exposure to advanced topics, learn and experiment with effective pedagogical techniques, and gain familiarity with essential aspects of carrying out research studies.

Total no. of Participants: 46.
