## Objectives of the Program:

- To welcome fresher to the college. It aims to make them feel acknowledged, valued and excited about their academic journey.
- Fresher's Day activities encourage interaction between freshers, seniors, faculty and staff. This helps break the ice, reduce feelings of isolation and promote a sense of belonging.

## **Objectives of the Program:**

The triumph of truth and justice over lies and injustice is what Dussehra signifies. The battle between Rama and Ravana teaches you that evil can never overpower the power of truth and justice. It reminds everyone to not be afraid of their fears and should always fight against evil. To provide a platform for students to showcase their talents in a variety of areas, including music, dance, drama, art, and literature. These festivals also help to build a sense of community among students and promote cultural exchange.

## • Objectives of the Program:

From a religious perspective, Makar Sankranti holds a sacred resonance for Hindus, particularly dedicated to the worship of Surya, the sun god. Beyond being a celestial body, the sun symbolises the cosmic source of energy, light, and life. Ritualistic dips in holy rivers, undertaken by many on this auspicious day, carry symbolic weight, signifying a spiritual cleansing to purify the soul from accumulated sins. In regions steeped in mythology, the festival marks the triumph of virtue over evil, with Lord Vishnu's legendary defeat of a demon. Agriculturally, Makar Sankranti marks the threshold of the harvest season, prompting farmers to express gratitude for a fruitful yield and to seek blessings for a prosperous future. The festival becomes a time for communities to come together, sharing the joy of abundance and fostering a sense of collective gratitude.

- **Learning outcomes:**

For those who might be curious to learn Makar Sankranti meaning and its significance. 'Makar' means 'Capricorn,' and the movement of the sun into 'Makara Rashi' (of the 'Zodiac of Capricorn') is called Makar Sankranti. The traditional Indian snail is the typical choice of assemblage for Makar Sankranti, of which yellow sarees and luxurious Silk drapes are the more popular choices.

Celebrated in various regions of India, Makar Sankranti marks the new beginning when the Sun transits into longer days. It is also called the harvest festival.

On the occasion of festival, people indulge in a Holy Bath by taking a dip in the auspicious rivers including Ganga, Yamuna et al. It is also recommended to consume food, post your bath.
