## Institutional Development & Planning

Samata College has got very ambitious plan for the years to come. Management of Samata College is very positive in Planning & Development of Samata College. Action plan for the development is given below.

- 1) Proposed to recruit more Staff members with Ph.D., NET / SLET. This will improve the quality of teachers.
- 2) Proposed to organize more workshops for Staff and Students to improve their knowledge and also to acquaint them with latest development in Industry and Teaching.
- 3) Keeping view the Market demand, it is proposed to introduce B. Com Computers and BBA Digital Marketing from 2026 academic year.
- 4) Proposed to improve physical facilities to Staff and Students to make them comfortable during their stay in college.
- 5) Proposed to add more volumes of Text Books to keep the Library up to date.
- 6) Propose to encourage more publications from staff through our research cell.
