Duration of Activity	23-02-2023
Organized by	Samata Degree College
Venue	College Premises
No of students attended	39

Report:

The Training and Placement Cell of Samata Degree College conducted a special session on "A One-Day Workshop on Goal Setting & Critical Thinking" in seminar hall on 17-12-2018. This program was initiated by our principal with a motivational speech.

In that session, around 39 students are promoting critical thinking, which aids in information analysis, argument evaluation, and decision-making. It promotes autonomous thought and the ability to solve problems. Students need to learn life skills because it gives them the tools; they need to successfully navigate the different facets of life. It is possible for students to prioritize activities, fulfill deadlines, and maintain a good work-life balance by teaching them how to manage their time efficiently. Both productivity and stress are increased. Involve creating collaboration, understanding other points of view, and working well in teams. Students who work effectively together may complete group tasks successfully, grow as leaders, and acquire solid interpersonal skills.

The session ended with Vote of thanks.

PROGRAMME REPORT

Programme Name	Mental Health
Resource Person	Mr. Goutham B (CS Executive) Contact No: 9493790282 Mail Id: gowthamvvskm@gmail.com
Duration of Activity	11-2-2019
Organized by	Samata Degree College
Venue	College Ground
No of students attended	37

Report:

The Training and Placement Cell of Samata Degree College conducted a special session on " Mental Health " in seminar hall on 17-2-2020. This program was initiated by our principal with a motivational speech

The Mental Health " Life Skills Program is a comprehensive initiative implemented by our college to promote and instill essential life skills related to Mental health and hygiene among its students. This program is designed to foster holistic development, equipping students with the knowledge and skills necessary for maintaining a Mental healthy lifestyle. On that session 37 students participated to educate students about the importance of Mental health and impart practical skills related to personal hygiene, nutrition, and mental well-being and to create awareness about preventable diseases and the importance of vaccinations.

Sustaining the "M Life Skills Program is crucial to maintaining the positive impact and fostering a culture of health and hygiene on campus.

The session ended with Vote of thanks.
