Description:	In alignment with its commitment to environmental sustainability and community well-being, Samata Degree College organized an Environmental Sanitation and Garbage Disposal Drive. The initiative sought to raise awareness about proper waste management practices, promote a clean environment, and engage the college community in actively contributing to a healthier ecosystem. College students and staff actively participated in organized clean-up drives in and around the college premises. Emphasis was placed on collecting and segregating waste materials, including plastics, paper, and electronic waste. Temporary waste segregation stations were set up on campus, equipped with bins for different types of waste. The Environmental Sanitation and Garbage Disposal Drive conducted by Samata Degree College underscored the institution's commitment to environmental stewardship. Totally 45 students participated.

Title of the Event:	Medicinal Gardening Program
Event State Date	24/11/2018
Event End Date	24/11/2018
Description:	In a bid to promote the therapeutic and health-enhancing benefits of nature, the National Service Scheme (NSS) unit at Samata Degree College undertook a Medicinal Gardening Program. The initiative sought to actively involve the college community in the process of planting, cultivating, and maintaining the medicinal garden. This involvement aimed to foster a sense of responsibility for the environment and provide hands-on learning experiences. By cultivating a garden of medicinal plants, the program not only enhanced awareness about the healing properties of nature but also provided a tangible and sustainable resource for the college community's health and education. Totally 35 students participated.

Description:	Samata Degree College, in collaboration with Vasan Eye Care, organized a comprehensive Eye Check-up Camp as part of its commitment to community health and well-being. The camp aimed to provide accessible and quality eye care services to the college community addressing the importance of regular eye check-ups and early detection of vision-related issues. Certified optometrists conducted vision screenings to identify common refractive errors such as myopia, hyperopia, and astigmatism. By providing accessible eye care services and promoting awareness, the camp contributed to the broader goal of ensuring optimal eye health within the community. Totally 61 students participated.

NSS UNIT	NSS Unit- I & II
Title of the Event:	Beach Cleaning Program
Event State Date	06/07/2018
Event End Date	06/07/2018
Description:	Tenneti Park is a cherished coastal treasure, but unfortunately, it often falls victim to plastic pollution and other forms of waste. We have collected all sorts of waste, from plastic bottles and bags to cigarette butts and discarded food wrappers. We have separated recyclables from non-recyclables and ensure proper disposal of each item. Learned about the harmful effects of pollution on marine life and how we can all contribute to a cleaner and healthier ocean. Totally 36 students participated.
