free mind through education

Based on the assessment, the career counsellor helps identify short-term and long-term career goals and develops a realistic plan. The counsellor provides information on various industries, job roles, and qualifications, helping the individual explore different career options based on their interests, skills, and values. Career counselling guides working professionals in enhancing skills, knowledge, and exploring growth opportunities within their current or different fields.

Career learning outcomes:

To create Awareness regarding Career Building. To support the students by providing necessary information about weightage of marks. To give audience and coaching with free accessibility. Clarify their values, interests, strengths, and skills. Articulate their transferable, liberal arts, graduate, and work-related skills. Identify and research a wide variety of career fields and opportunities Cultivate a professional network and engage in informational interviews. Gain experience and insights through site visits, job shadowing and internships. Evaluate the environmental fit of a variety of work settings and roles.

PROGRAMME REPORT

Programme Name	A Two-days “Guidance for Career Counseling Program on Identifying Potential Areas”.
Resource Person	Mr. P.Prasad, MCA, Department of Computer Science. Contact no: 9533334788 Email:p4prasadm@gmail.com
Duration of Activity	19/02/2020 to 20/02/2020 (two days)
Organized by	Samata Degree College
Venue	Seminar Hall-1
No of students attended	252

Objectives of career Counselling:

Career counselling provides personalized guidance, support, and resources to help individuals make informed career decisions that align with their interests, skills, and values. Career counselling assists in identifying the skills needed for success in a chosen career and provides guidance on skill development through suggested resources and avenues for acquiring high-income skills. Career counselling provides personalized guidance, support, and resources to help individuals make informed career decisions that align with their interests, skills and values.

SAMATA DEGREE COLLEGE

Affiliated to Andhra University & Approved by AICTE

An ISO 9001 : 2015 Certified Institution

Sector – 10, MVP Colony, Visakhapatnam – 530 017. (A.P.)

Based on the assessment, the career counsellor helps identify short-term and long-term career goals and develops a realistic plan. The counsellor provides information on various industries, job roles, and qualifications, helping the individual explore different career options based on their interests, skills, and values. Career counselling guides working professionals in enhancing skills, knowledge, and exploring growth opportunities within their current or different fields.

Career learning outcomes:

To create Awareness regarding Career Building. To support the students by providing necessary information about weightage of marks. To give audience and coaching with free accessibility. Clarify their values, interests, strengths, and skills. Articulate their transferable, liberal arts, graduate, and work-related skills. Identify and research a wide variety of career fields and opportunities Cultivate a professional network and engage in informational interviews. Gain experience and insights through site visits, job shadowing and internships. Evaluate the environmental fit of a variety of work settings and roles.
