PROGRAM REPORT

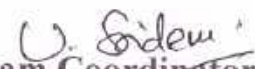

Program Name	Sankranthi Sambaralu
Cultural head	Mrs G. Adilakshmi, Asst Prof, Department of Mathematics Ph No: 9000661802 Mail Id: adilakshmi.bujju@gmail.com
Duration of Activity	3 hrs
Organized by	Samata Degree College
Venue	Samata Garden
No. of students attended	100

- **Objectives of the Program:**

The festival of Sankranthi holds spiritual significance in Hindu mythology and traditions. As a festival that marks the transition of seasons, Sankranthi holds a special place in the hearts of people, symbolizing hope, renewal, and new beginnings.

- **Learning Outcomes:**

Sankranthi holds immense agricultural significance as it marks the onset of the harvesting season in many parts of India. Farmers celebrate the festival to express gratitude to the sun god for a bountiful harvest and pray for prosperity and abundance in the upcoming agricultural cycle. It is a time of joy and thanksgiving for the successful culmination of months of hard work in the fields.

Duration of Activity	3 hrs
Organized by	Samata Degree College
Venue	Samata Degree College
No. of students attended	40

- **Objectives of the Program:**

Guru Purnima is not only a tradition but also a profound acknowledgment of the importance of teachers, mentors, and guides in our lives. It is an occasion to express gratitude and pay homage to our academic and spiritual mentors who have enlightened our paths with their knowledge, wisdom, and guidance.

- **Learning Outcomes:**

Students gain an appreciation for the rich cultural heritage associated with Guru Purnima, understanding its significance across various spiritual traditions such as Hinduism, Buddhism, and Jainism. Through participation in rituals, ceremonies, and discussions, students develop a deeper understanding of the teachings of revered gurus and spiritual leaders.

- **Objectives of the Program:**

Ramadan is the ninth month of the Islamic calendar. It has a special significance in Islam. It is during this month that Muslims believe the first verses of the Quran - Islam's holy book - were revealed to the Prophet Muhammad.

- **Learning Outcomes:**

The learning objectives include developing an understanding of the significance of Ramzan as a religious and cultural observance within the Muslim community. Learning about the nutritional and dietary considerations involved in fasting during Ramzan and how to prepare healthy and balanced meals for iftar and suhoor. Discussing the values of empathy, compassion, and generosity emphasized during Ramzan and explore ways to incorporate these values into our own lives.

- **Objectives of the Program:**

Ugadi marks the beginning of the traditional Hindu lunar calendar and heralds the arrival of the New Year. It is a time for people to bid farewell to the old year with its successes and challenges and welcome the New Year with hope, optimism, and enthusiasm.

- **Learning Outcomes:**

Ugadi holds immense significance for the people of South India, encompassing spiritual, cultural, astrological, agricultural, and social dimensions. It serves as a time for celebration, reflection, and renewal, heralding the dawn of a new year filled with hope, prosperity, and blessings. Through Ugadi we can understand the new opportunities ahead in life and forget the past.

- **Objectives of the Program:**

Celebrating Holi can be an enriching experience that extends beyond just the festivities. They can learn about the significance of Holi as a festival of colors, its historical and cultural roots, and the various traditions associated with it.

- **Learning Outcomes:**

Through participating in Holi celebrations, students can gain a deeper appreciation and understanding of Indian culture. It provides an opportunity for students from diverse backgrounds to come together and interact. Encouraging eco-friendly practices during Holi celebrations, such as using natural, organic colors and minimizing water wastage, can help raise awareness about environmental issues among students.

• **Objectives of the Program:**

Republic Day, celebrated on January 26th, marks the adoption of the Indian Constitution in 1950 and the establishment of the Republic of India. It is a national holiday that celebrates India's sovereignty, secularism and democratic ideals.

• **Learning Objectives:**

By celebrating Republic Day, students learn about the significance of the Indian Constitution and the rights and duties of citizens. It promotes a sense of civil-responsibility, respect for the law, and appreciation for the democratic principles that govern the country. Students also gain an understanding of the diversity and unity of India as a nation.

• Objectives of the Program:

Teacher's Day is celebrated to honor the birth anniversary of Dr. Sarvepalli Radhakrishnan, the First Vice President of India. It is to recognize the role of teachers in shaping the lives of students and imparting knowledge, skills and values.

• Learning outcomes:

The learning objectives include appreciating the contributions of teachers to the community and society in shaping the future of students. It is a special day for the teachers who are the role model of students. It reminds us of the significance impact teachers have on our life and encourages us to express our gratitude to them.

• Objectives of the Program:

Hindi Day is celebrated to promote the importance of Hindi language in cultural, social and national contexts. Encourage the use of Hindi in daily communication, both spoken and written, to preserve and propagate the language.

• Learning outcomes:

The learning outcome includes gaining knowledge about the history and evolution of the Hindi language, including its script and phonetics. We can engage in collaborative activities to celebrate Hindi Day, such as performances, presentations and competitions showcasing Hindi language and culture.

• Objectives of the program:

Peace Day, observed on September 21st, promotes peace, tolerance, and understanding among individuals, communities, and nations. It aims to raise awareness about the importance of peace in creating a better world for future generations.

• Learning Outcomes:

By observing Peace Day, students learn about the impact of conflict on society and the importance of peaceful resolution of conflicts. It promotes empathy, compassion, and respect for diversity. Students also learn about the role they can play in promoting peace harmony in their communities and beyond.

- **Objectives of the program:**

An annual day holds importance in a student's life as it provides them with opportunities to showcase their talents through performances like singing, dancing, sports, science project exhibitions, drama, and much more.

- **Learning Objectives:**

The Annual Day celebration allows the college to celebrate another year of its being, and appreciates the students' achievements in all curricular, co-curricular and extracurricular activities conducted throughout the year. A number of cultural events also take place on this day.

• Objectives of the program:

Hindi is one of the 22 scheduled languages of the country. Hindi Diwas is celebrated on September 14 every year to commemorate the adoption of Hindi as the official language of India by the Constituent Assembly of India on this day in 1949.

• Learning Objectives:

Educational institutions across India use Hindi Diwas as an opportunity to emphasize the importance of learning and preserving the Hindi language. Spreading Awareness: Hindi Diwas also raises awareness about the linguistic rights of people across the country.

• Objectives of the program:

Weather Awareness program aims to educate individuals about safety and preparedness for various weather phenomena and also raise awareness about different weather conditions. It highlights the importance of understanding weather forecasts, warning systems and evacuation procedures in mitigating risks and protecting lives during severe weather events like floods, heatwaves, cyclones etc.

• Learning outcomes:

The learning outcomes include emphasizing the role of technology, innovation and research in advancing meteorological science. It aims to empower individuals to take personal responsibility for their safety as well as safety of others by staying informed, prepared and vigilant in the face changing weather conditions.

Objectives of the Program:

Library Day celebrates the cornerstone of knowledge- the library. It highlights the importance of libraries in education, research, and lifelong learning. It aims to promote reading habits and the use of libraries as valuable knowledge resources. From fostering literacy to providing access to a world of information, libraries play a crucial role in shaping minds and enriching lives.

Learning outcomes:

By observing Library Day, students learn about the role of libraries in preserving and promoting a culture of reading and lifelong learning among students and the community. It also encourages critical thinking and research skills through access to diverse resources.

• Objectives of the Program:

The objectives of Nutrition Day typically revolve around promoting awareness about healthy eating habits, addressing malnutrition, and educating individuals about the importance of a balanced diet for overall health and well-being.

• Learning outcomes:

The outcomes of Nutrition Day typically include increased awareness and knowledge about healthy eating habits among individuals and communities, enhanced understanding of the importance of balanced nutrition, and heightened engagement in nutrition-related activities. Additionally, Nutrition Day often leads to improved access to nutritious food options, increased support for policies addressing malnutrition and food insecurity, etc.
