About Samata Degree College

Samata Degree College Affiliated to Andhra University and Approved by AICTE was established in 1992 and has been offering holistic education. Samata offers B.Sc, BBA, BCA, B.Com, MSc. and MBA courses, Besides a robust teaching pedagogy.

DEAN & CORRESPONDENT'S MESSAGE:

Dr. Vijaya Ravindra DEAN & CORRESPONDENT

My hearty congratulations to the Samata team for bringing out the newsletter "Samata connect". This Samata connect highlights our students' achievement in academic and extra curricular activities, industry connect and inspiring stories.

At Samata college we believe in nurturing holistic development of students through classroom discussions, presentations, Elocution, debates, in house training programmes, workshops, experts sessions, intra and inter collegiate fests and competitions and research & publications.

I sincerely appreciate the hard work put in by the faculty and students to make this newsletter worth reading and look forward for more excellence in the coming months.

PRINCIPAL'S MESSAGE:

Dr. Sarabandi
Director & Principal

Dear Students, Faculty Members, Parents, Alumni, and Well-Wishers,
It gives me great pleasure to present another edition of Samata Connect, our monthly newsletter that showcases the academic, co-curricular, and extension activities of Samata Degree & PG College. This publication reflects the collective efforts, achievements, and aspirations of our institution while highlighting the vibrant learning environment that defines our campus.

At Samata, we are committed to providing quality education that nurtures intellectual growth, ethical values, leadership qualities, and social responsibility. We believe that true education extends beyond the classroom by encouraging students to participate actively in academic pursuits, skill development programmes, community service, cultural activities, and innovative learning experiences.

Our dedicated faculty members strive to create an inspiring and inclusive learning atmosphere that empowers students to realize their full potential and prepares them to meet the evolving demands of higher education and the professional world. Every activity conducted in our campus contributes to the holistic development of our students, fostering confidence, creativity, teamwork, and lifelong learning.

This newsletter serves as a platform to celebrate the accomplishments of our students and faculty while documenting the significant milestones of our institution. I hope it inspires every member of the Samata family to continue striving for excellence and to contribute meaningfully to the society.

I extend my heartfelt appreciation to all faculty members, students, staff, alumni, and stakeholders whose continued support and commitment contribute to the growth and success of our institution. Let us continue to work together with dedication, integrity, and a shared vision of excellence. I wish you all continued success in your academic and personal endeavours.

With Best Wishes,

Dr. Sarabandi,
Principal
Samata Degree & PG College,
Visakhapatnam.

World Environment Day

05 June 2026

A programme was organized to mark "World Environment Day" with the objective of promoting environmental awareness and sustainable living among students. The resource persons highlighted the importance of protecting natural resources and adopting eco-friendly practices. Students actively participated in the awareness programme and pledged to contribute towards a greener environment.

As part of this green initiative, 20 medicinal plants were planted in the college garden to promote environmental conservation, sustainability, and awareness about the importance of medicinal plants. Students, faculty members, and guests actively participated in the plantation drive and pledged to contribute towards a greener and healthier future.

International Yoga Day Celebration

Date: 20 June 2026

Yoga Day 2026

Samata Degree College proudly celebrated International Yoga Day with great enthusiasm and participation from students, faculty, and staff.

EVENT DETAILS

International Yoga Day Celebrations at Samata Degree College 2026

The college celebrated International Yoga Day to promote physical fitness, mental well-being, and stress management. The yoga experts demonstrated various asanas and breathing techniques while explaining the health benefits of regular yoga practice. Faculty members and students enthusiastically participated in the session.

The event was conducted under the guidance of Dr. S. Vijaya Ravindra, Dean & Correspondent, Dr. S. Sarabandi, Principal, and Dr. B. Shilpa, Vice Principal. Expert trainers from the Yoga Department, Andhra University led various yoga asanas and pranayama sessions, highlighting the importance of physical fitness, mental well-being, and holistic health.

Yoga is not just an exercise; it is a way of life that promotes balance, discipline, and inner peace. Let us embrace yoga and make wellness a part of our daily routine.

NO TO DRUGS & ANTI-EVE TEASING AWARENESS PROGRAMME

An awareness programme was organized to educate students about the harmful effects of drug usage and the importance of creating a safe and respectful environment for women. The speakers discussed legal provisions, preventive measures and the role of students in building a drug-free and harassment-free society. The interactive session concluded with students taking a pledge to uphold social responsibility.

STRATEGIC, ACADEMIC & INDUSTRY PARTNERSHIPS

Industry-Academia Partnerships

Memoranda of Understanding

At Samata College, we believe that quality education extends beyond the classroom. To bridge the gap between academic learning and industry expectations, the college has signed Memoranda of Understanding (MoUs) with reputed organizations and higher education institutions. These collaborations create a dynamic learning ecosystem where students gain practical exposure, industry insights, and opportunities to develop professional skills that enhance their career readiness.

MOU's Advantage

The MoUs focus on enriching the student learning experience through industry-oriented training, certification programs, internships, expert mentoring, collaborative research, faculty development, and academic exchange initiatives. By working closely with industry experts and partner institutions, students are equipped with the latest technologies, practical knowledge, and employability skills required in today's competitive job market.
