OBJECTIVES OF THE PROGRAM:

Sports Day encourages active participation in sports, promoting physical health and combating issues like obesity and sedentary habits. Involvement in team sports teaches students teamwork, cooperation, and unity, skills transferable to academic and future careers.

LEARNING OUTCOMES:

Sports provide students with valuable learning outcomes that extend far beyond physical activity. Participants develop essential life skills such as teamwork, communication, and leadership by collaborating with peers to strategize and compete effectively. Time management and discipline were strengthened as students balanced practice sessions with academic responsibilities. Moreover, Sports promote inclusivity and sportsmanship, teaching students to respect rules, value fair play, and support others regardless of the outcome.
